

WELCOME TO THE COUNCIL OF SPECIALISTS

On behalf of the Executive of the Specialists of BC, congratulations on becoming the Council of Specialists Representative for your specialty group. We hope you will find your role to be both exciting and challenging as we strive to enhance the status of all specialists. The experience and wisdom you bring to the Council will be invaluable in advancing the Society's goals.

This on-line manual will give you some background information on the Society. Please review this document and the ones following to give you a better picture of what we can do together.

Thank you for your commitment.

MISSION STATEMENT

The mission of the Specialists of BC is to promote the highest standards of health care and to support the common interests of BC specialists in order to achieve a satisfying and rewarding professional life.

GOALS

The Specialists of BC will:

- Strive to represent effectively specialists at all levels of medical politics, both within and outside the Doctors of BC (BCMA)
- Participate and be part of the planning and management of the highest standard of health care delivery
- Promote the professional, social and economic well-being of specialists
- Provide leadership development for specialists and develop policies and positions in order to advance its mission statement
